Re: Ed. Note Soliciting reaction

- (1) yes I do read it
- (2) It contains very little information that has not previously been circulated by way of memo to all Faculty
- (3) If (2) is not changed then the only suggestion I would make is to discontinue publication.

RUGBY TEAMS HAVE VARIED SUCCESS

The Douglas College rugby teams tied two games last weekend, won one and lost one.

On Saturday, the first and second teams tied their counterparts from Maple Ridge. The games were played in atrocious conditions as the field at Taloski Stadium was nothing more than a mud hole. Players covered from head to toe in mud were difficult to distinguish from one another at times. The second team tied 6-6 on Gary Cherwaty's touchdown, which he converted himself. The first team played to a scoreless tie. The third team, meanwhile, suffered a 30-3 loss to Pocomo Rugby Club. The thirds comprised mainly of rookies were outclassed by the older and more experienced Pocomo side. Nevertheless, the thirds enjoyed the game and need the experience as many of them will eventually become first and second division players.

On Sunday, the thirds improved one hundred percent to wallop Burnaby thirds by a score of 28-3. Club captain, Dave Jagger, a seasoned first division player, played with the thirds and greatly helped them. He kicked three converts, a field goal and a drop goal for a personal tally of 12 points. The other scorers for Douglas were Gary Reid with two touchdowns and veterans Terry Sharpe and Larry Backs with one touchdown each.

A pleasing aspect of this game was the fine performance of Frank (hard-core) Marisco at scrum-half.

B.C. COLLEGES BADMINTON SQUAD TOPS WESTERN RIVALS AT REGINA:
DOUBLES PAIR WIN LADIES DOUBLES IN NINE STRAIGHT

At the Sixth Annual 4-West Community College Championships, featuring Badminton, Basketball and Curling competition, held in Regina on the weekend, B.C. representatives topped Alberta, Saskatchewan and Manitoba in Badminton, edging out Alberta 20-19 on aggregate points, took a split in Basketball, winning the women's competition and placing third in the men's and were nipped out of the Curling gold by Alberta, who finished a single aggregate point ahead.

With the Wascana College hosts locating the two-day Triple Round Robin Badminton Championships at Regina's Wascana Club, B.C. narrowly defeated Alberta, as follows: Mike Lando and Jim Skillings of V.C.C. took the Men's Doubles, eight matches to one; Buryl Palmer and Jean Botkin won Ladies' Doubles, nine matches straight (15-11, - 7; -7, -13; and -5, -9 over Alberta; 15-4, -4; -7, -6 and -4, -7 over Saskatchewan; and 15-9, -3; -10, -9; and 9-15, 15-4 and -7 over Manitoba. But to keep the record straight, however, Marion Boots teamed up effectively with Buryl Palmer for the ninth win when Jean retired hurt, having jammed her finger in a suitcase): Jim Kilner and Julie Hamilton of V.C.C. took the gold in Mixed Doubles, B.C. again winning nine straight matches, although they had their anxious moments, dropping three games along the way.

Calvin Holoboff of V.C.C. placed second in Men's Singles with a 6-3 match record, and Julie Gray of Malaspina was third behind the exceptional Ladies' Singles play of Janice Woods, of Alberta, and Janice Robbins, of the host province.

HOW PALMER AND BOTKIN TOOK THE LADIES DOUBLES

In a nutshell, Jean and Buryl had a convincing win at Regina because they refused to wilt under pressure, and persisted in forcing their opponents out of position, particularly by making them backpedal to deep court so that Douglas was able to score or force weak returns. With such success in this aspect of play they could have made more use of the drop shot than they did. However....

Deep drives, fading half-court shots to the sides and offensive clears, particularly in return of service, were effective weapons for Buryl, as well as her favourite 'Sunday punch' - a short cross-court smash from right front.

Jean's deceptive net play was excellent, as were her sideline drives and judiciously used powerful smashes.

By the end of the first round they were well aware that Alberta was the team to beat, and to achieve this they would have to prevent opponent Bev Robinson of that province from using her exceptional smashing power. This they achieved by keeping returns low, or directed to open areas.

Their win was one of the easiest of the tournament, and well-deserved.

When Marion Boots came on with Buryl for the final match, she adjusted quickly and went to an aggressive driving game and took advantage of many excellent services to set up points.

In closing: Hey! Thanks to the Student Society for the money loaned to Leisure Services for the Regina Trip. We couldn't have done it without you!!
